Foreword

It is with pleasure that we are relaunching this updated Aboriginal Resource Directory (2014). This resource directory is produced to support Aboriginal people's access to the services that exist in the Perth community. It is available on our web site (www.ruah.com.au) electronically for interested individuals and agencies to access.

Every effort has been made to ensure the information contained in this Directory is as accurate as possible. If you find any mistakes or omissions however, please refer to the update form at the back of this Directory so we can make sure the next version is even better.

We have received positive feedback on the usefulness of the directory so we hope it continues to be a helpful resource.

About Ruah Community Services

Ruah Community Services is committed to continually increase its responsiveness to the needs of Aboriginal people and communities of Perth. Towards this end, Ruah has developed a reconciliation statement and plan (RECAP) and practice standards as a guide for the organisation, program delivery and workers. Ruah views reconciliation as a long term journey for the organisation and within this seeks to understand and celebrate Aboriginal culture especially the wisdom it offers for how to relate to the land and the natural world.

Ruah's Aboriginal strategic framework is focused on ensuring a culturally competent workforce, providing Aboriginal people with access to culturally secure services and fostering an organisational culture that celebrates and promotes Aboriginal culture and its rightful place in Australian society. Ruah seeks to build an Aboriginal perspective into our organisation, increase the number of Aboriginal staff and provide effective services for Aboriginal people.

Ruah has also made a commitment to celebrating the anniversary of the Commonwealth Government's apology to the stolen generation that occurred on February 13, 2008 each year. The occasion is used as an opportunity for Ruah to reflect on what it has done over the preceding 12 months to increase its responsiveness to Aboriginal people, and identify the challenges that are still before it.

Centacare Employment and Training is a not for profit, Registered Training Organisation, (RTO), operating from seven sites across the Perth metropolitan area and delivering a range of quality, individualised training and support services to unemployed jobseekers.

Courses include:

Skills for Education and Employment (SEE)

Centacare's Skills for Education and Employment program, (SEE), is a language, literacy and numeracy program for people needing help with spoken English, reading, writing, maths skills, the use of computers and more.

Courses offer all levels of the **Certificate in General Education for Adults**, (CGEA), and assist participants to gain employment or go on to further study.

Those aged between 15 and 64 years old and registered with Centrelink are eligible to participate in the SEE program which is offered at our Gosnells, Joondalup, Cannington, Midland, Mirrabooka and Perth locations.

Certified Training Courses

Centacare Employment and Training offers a range of certified courses designed to help disadvantaged young people and jobseekers, aged between 15 and 64, where English is not their first language, to find new direction or follow a new career path.

Available throughout the year, courses include Business, Hospitality and Health Services Assistance courses and are delivered at our Wellington Street site in Perth.
